

Entering into our 27th year, the Becky Briggs Memorial Golf Tournament, held each October, is proudly sponsored by the Western Henrico Rotary Club.

The Becky Briggs Memorial Scholarship Fund, which receives proceeds from the tournament, was started 27 years ago through the efforts of the Western Henrico Rotary Club & Cordell

Briggs in loving memory of his daughter, Rebecca. Becky was a 17 year old rising senior at Marymount when her life was tragically cut short in a 1990 auto accident.

In 1991, Western Henrico Rotary Club and Cordell, a member of Rotary, joined hands with the Community Foundation to form the scholarship fund in Becky's memory.

The Foundation grants scholarships for college and continued learning to high school students of the Richmond area, making the educational opportunities for our area children a reality.

The Becky Briggs Memorial Fund has granted over \$230,000 in scholarships to local area high school seniors attending college. The golf tournament proceeds also provide for at least two scholarships annually at J. Sargeant Reynolds Community College.

Prizes
